| From                 |                            | To                         |                            |
| Route                |                            |                            |                            |
| Valid from:          |                            | a.m./p.m. to:              | a.m./p.m.                  |

**This permit is subject to the following terms and conditions:**

- This permit does not relieve the holder from liability for any damages caused.
- Permit shall be valid only when there is sufficient frost to prevent vehicle form causing damage to road. (-5°C or colder).
- This permit does not allow for weight in excess of the registered gross vehicle weight of the vehicle for which the permit is being used.
- This permit will not apply during any road restrictions by Ministry of Highways or the RM of Willowdale No. 153.
- Permits can be cancelled at any time by the RM of Willowdale Administrator.
- This permit shall not be valid on any road, public or private, other than the public highway stated herein.
- The issuance of this permit does not allow the permittee to exceed 10 kg per mm width of tire (manufacturers stamped dimensions) on any wheel or group of wheels unless the tire size and axle loadings are specified in the permit.
- The issuing of this permit shall not relieve the holder from responsibility for any damage caused to said highway, or to any public improvement, or to any other person or property, by reason of the operations covered by this permit. The holder of this permit agrees that he will so carry out his operations as to cause minimum interference with the traffic on the said highway and must also indemnify the Rural Municipality and the Department of Highways and Transportation against any claims in connection with traffic accidents which occur as a result of said operations.
- The issuing of this permit does not relieve the holder from the requirements of any legislation whether federal, provincial or municipal.
- No movement of overweight vehicles will be permitted during adverse road and weather conditions. During such conditions an enforcement officer may temporarily void the permit until such time as it is in his opinion safe to proceed.
- The permittee shall before crossing any bridges or culverts which are inadequate to carry the vehicle and its load, reinforce them to the extent necessary.
- The permittee shall pay to the municipality on demand such sum as may be required to remedy damage caused to said roads, bridges or culverts through the operation of said vehicle or vehicles or in any way arising from the said operations covered by this permit.
- It is the responsibility of the permittee to ensure that the vehicle has adequate insurance coverage and is properly licensed to transport the load specified on the permit. This permit does not allow for weight in excess of the registered gross vehicle weight of the vehicle. For more information call 1-800-667-7575.
